# TOURNAMENT ELIGIBILITY

The National Club Classic & Master's Championship tournament is a national club-based tournament for Open Men's and Masters grade teams to compete for a national title in each grade.

## 1. Eligibility

All 2025/26 season registered players, residing in New Zealand and are **16 years of age or above as at the 1<sup>st</sup> of September 2025** are eligible to compete in the 2025 National Club Classic.

If residing overseas, players must be New Zealand citizens or of New Zealand heritage via one or more parents. All other baseball players can be considered via a dispensation. Interested players (families) must be registered with Baseball NZ and in good standing with the national body, their regional association and their club. Interested Players should have a proven close alliance or history with the club they are seeking to represent through any dispensation.

In all National Tournaments, to be considered for a National Tournament roster, a player must have played a minimum of four (4) regular season games for their club recorded in the BBNZ scoring platform. Anyone who has played less than four (4) club games may be eligible for the tournament through the dispensation process or pick-up player pool.

Players will NOT be penalized within New Zealand if no club or regional body exists in their region or city, such as New Plymouth and Dunedin, for example, both of which do not yet have baseball clubs.

- **Exemption To The 4 Game Minimum Rule:**

Clubs may file for exemption to the four-game rule- through the dispensation process. Exemptions may be granted for former club players who played or lived overseas during the regular season. A player must be a historical member of the club, with a minimum of 3 seasons played for the club that wishes to have this player exempt from this 4-game minimum.

- **Dual Club Eligibility**

Any players who have qualified to play nationals for two clubs (i.e. have played 5 or more games for both clubs), will need to decide prior to rosters being submitted as to who they are playing for at Nationals. If there is any conflict around these situations, Baseball NZ will look at each case on its own merits.

## 2. Dispensations

Player dispensations for the 2026 National Club Classic tournament will only be awarded in exceptional and extenuating circumstances. Points to note in the player dispensation process:

- There is a maximum of 4 dispensations per team for the 2026 National Club Classic tournament.
- Where a club is seeking dispensation for an under-age player, the club would need to demonstrate they have exhausted all their options of registered age-eligible players.
- Where a club is seeking dispensation for a player who has not met the 4-official game minimum requirement, a club would need to clearly outline why this person was unable to meet this minimum game requirement.
- Player dispensations can only be applied for, through this process and dispensation

form. No other option is available to grant a dispensation. The Head Coach / Manager or Executive Officer (EO) must submit the player dispensation request with the endorsement of the club and player (or their guardian if under 18 years old).

All player dispensations will be reviewed on a case-by-case basis after a thorough review of the club's regular season members and team/s. All dispensations must be received no later than **13<sup>th</sup> February 2026, 11.59pm**. **No Late dispensations will be considered.**
